Arizona Foundation for Cancer is a program-based organization that helps patients through cancer treatment and survivorship by providing services that increase their quality of life while they fight cancer. Specifically, the Foundation offers non-medical support services for which most insurance companies cover little to none of the costs. Integrative and supportive services are designed to help patients, their family members and care givers.

Health, Healing, Survivorship!

August 2024

Dear Community Partner:

Arizona Foundation for Cancer is excited to host the 2024 Festival of Trees and Lights gala (the “Gala”) on December 7, 2024, at Skyline Country Club in Tucson. The Gala benefits cancer patients, their family members, and caregivers throughout Arizona. We invite you to partner with us to continue our services to our Arizona community and to assist more patients on their paths to Health, Healing and Survivorship!

We are an Internal Revenue Service recognized 501(c)(3) organization whose mission is to provide support services to those whose lives are touched by cancer. Last year, with the help of our generous supporters, donors and volunteers, we provided over 2,000 services in the form of support groups, integrative therapies, wigs and head coverings, post-mastectomy bras, breast prostheses, nutrition counseling, house cleaning services, gas cards and lodging with an economic impact of over \$167,000.

This year, our goals are to continue to provide services for the rapidly growing number of cancer patients by maintaining current programs and expanding and/or adding new programs that will further benefit our patients. However, we need your help to make a difference in the lives of the thousands of cancer patients in our community. You can help us reach our goals by becoming a Gala sponsor and/or purchasing a table to share the special evening with friends and family and to participate in our live auction.

We have enclosed a sponsorship form for your convenience, and we will contact you shortly to answer any questions you may have. Please feel free to call me at 520-904-9556 or email me at outreach.affc@gmail.com with any questions in the meantime.

Thank you for your consideration.

Very truly yours,

Darlene Z. Twiss
